"Please note that under legislation members aged over 75 cannot contribute member voluntary (after tax) contributions to the Fund"

Your Tax File Number (TFN) obligation!

Since the introduction of Simpler Super legislation on 1 July 2007, employers are obliged to provide their employee's TFN details (unless an employee explicitly requests that you do not provide their TFN details to their super fund).

To update your employees' TFN details, click on 'Members' and then select 'List'.

We recommend you update your employees' TFN before 30 June (end of the financial year) to help them avoid taxation penalties.
